When we don't have pencils or pens,
it takes us longer to get started.

1

If I remember to bring a pencil or pen
next class, the teacher will appreciate it.

2

If I were better prepared, I would have
my own writing implements.

3

If I had thought about it before, I wouldn't
have needed to borrow anything.

3/2

I would be using it now.

2/3

If I had my own pencil case, I could even
have offered to lend someone else a pencil.
