

Truly, madly, deeply

I'll be your dream, I'll be your wish/hope, I'll be your fantasy.
I'll be your hope, I'll be your love, be everything/all that you need.

I love you more with every breath/minute, truly madly deeply do
I will be strong, I will be faithful 'cause I'm counting on a new beginning/start.

A reason for living/being. A deeper meaning.

I want to stand with you on a mountain/hill.

I want to bathe with you in the ocean/sea.

I want to lay/stay like this forever.

Until the sky/stars falls down on me

And when the stars are shining brightly in the velvet sky/firmament,

I'll make a wish send/text it to heaven then make you want to cry

The tears of joy/happiness for all the pleasure and the certainty.

That we're surrounded by/with the comfort and protection of

The highest/strongest power, in lonely hours, the tears devour you

I want to stand with/by you on a mountain,

I want/'d like to bathe with you in the sea.

I want to lay/stay like this forever,

Until/After the sky falls down on me

...falls down on me
